41st Annual Auction of Shorthorn Cattle

In this our 41st annual sale catalog, we have listed a good, useful, well bred lot of cattle. The females have been on good pasture, calves running with the cows, and have been fed once a day for a few weeks. They are in nice breeding condition, just right, we would say, to go and do the buyers the most good.

As you will note above, we have been in the Shorthorn business some 64 years. In that time we have seen about all the changes that could take place in the beef cattle business, and these changes have, for the most part, been for the good of the breed. As time goes on, we find more and more stress being laid on the two or three top sires in the pedigree and less attention to the back-ground of the pedigree. This is a good thing for the breed, as naturally the top sires have the most influence on the kind of calf you get. In our herd will be found numerous pedigrees where we have bred the dams from three to eight generations, and it has always been our aim to use the best bulls we could obtain. Pedigrees such as are found in the catalog topped out by such bulls as Golden Victory, a full brother to Supreme Goldfinder and Divide Advance 2d a son of the International Grand Champion Browndale Goldspur and Goldfinders Baronet, out of a half sister to Supreme Goldfinder, should produce the better kind of cattle.

We have great faith in the future of the Goldfinders and only recently have secured another son of Goldfinders Diamond and are mating heifers sired by Golden Victory to this good young red bull.

We want you to come to the sale which will be held in our sale pavilion at the farm.

An outstanding young red son of Goldfinder Diamond with a double cross of Supreme Guard. Several heifers bred to this bull.

The Bulls

We are only offering 9 bulls in the sale. The dams of eight of these bulls are in the herd and are not for sale. Being out of this kind of cows and sired by Goldfinder bulls, they should prove to be a valuable lot of sires.

Golden V. Constant is a very thick rugged bull, possibly a little on the large order, but his dam is a large cow, and by many regarded as the best cow we have. She was the dam of a heifer that sold for \$1,500 in the last Merryvale sale. Both the dam and grand dam of this bull have dropped twin calves this summer. The dam had twin calves two years ago and this bull is sired by a twin. They are a productive family.

Goldfinder's Perfection is as good as his picture looks. He is one of the thickest, shortest legged bulls, we have ever raised. Analyze the pedigree. The seven top sires in this pedigree were very outstanding bulls. This calf will breed on, and get the thick, low set kind of cattle we are demanding.

Royal Blue is a very smooth red bull ready for heavy service. He has a double cross of Divide Advance at the top of his pedigree and his second dam was the top selling cow in one of our past sales. This is a good well bred bull.

DIVIDE ADVANCE

Former herd bull sired by International Grand Champion Browndale Goldspur. He is the sire and grand sire of several lots in this catalog.

The Cow and Calves

Fourteen cows with calves at foot, and in most cases the cows bred back. Some as good cows as can be found are in this group. All are well bred and have calves sired by the most reputable bulls. Bull calves will be found in this group that are sure to grow into herd bulls of first rank. Also there are heifer calves that will grow into breeding cows of the highest order.

Several of the calves are sired by Goldfinder Baronet that is the sire of the bull that topped the last Nodaway County sale, another calf by him won his class in spring Iowa State sale and two very young heifers sired by him sold for \$550 in our last sale. Other calves by Golden Victory and Cruggleton Champion that are very outstanding.

The Heifers

Twenty bred and open heifers make up the remainder of the offering. They are a good lot. Twelve of them bred and eight of them open. Six of eight open heifers are sired by Golden Victory and some of them are very outstanding both individually and breeding.

You will find four Fair Constance females in the catalog. Fair Constance 19th the dam of Supreme Perfection and Fair Constance 34th herein cataloged is now 12 years old. We have two daughters out of her, one 9 years old and one 5 years. The two daughters each dropped twin calves last month and yesterday the old cow had twin calves sired by Goldfinder Baronet. She is as good a cow, and as good a breeder, as will be noted by the white heifer, as was ever our fortune to own.

This is a very outstanding lot of heifers. We want you to see them.

Sweetheart 27th is a thick, low down, red heifer, that is the type we like. A Sweetheart heifer topped our sale last year. The Sweethearts are as good cattle as we have ever had. Bred to Goldfinder Guard.

Sweetheart 28th is a model of a heifer that we would like to produce 100 per cent. She is thick, close enough to the ground, and yet has the size and quality that make good Shorthorns. She is out of the same dam that produced the top heifer in last year's sale, a cow that was grand champion over all breeds at the Adams County, Iowa Fair two years, in succession. This is a most reliable family of good cattle. Sells open.

Daisy Gloster 10th is a very dark roan daughter of Golden Victory. An exceptionally well bred Duchess of Gloster, and is one that we should be keeping in the herd. She will make a valuable cow. Sells Open.

Fair Constance 34th is without doubt one of the best heifers that will be sold anywhere this year. She is a show heifer from any angle. Not only that, her dam was regarded by Clint Tomson as one of the best cows in the state. She was the dam of Supreme Perfection, a first prize Iowa State Fair winner. We have two daughters of this cow in the herd. In the last six weeks, both the daughters and the old cow have dropped twin calves. They are prolific. Sells open.

She is a top heifer both individually and pedigree, a good combination. The calf she is carrying should be outstanding. Bred to Golden Victory.

Constance A is a very dark roan three-year-old heifer with her first calf at foot, a beautiful heifer and the cow well along in calf again to the service of Golden Victory. She is not in too good condition, but she is young with a large heifer nursing and the calf does look well. This pair are worth looking after. The Fair Constance Cattle do well for any one who has them.

Roan cow calf Jan. 28th sired by Supreme Golden Seal 2105740, a good Fair Beauty bull sired by Divide Advance 2d, and the sire of all the calves in the Chas. Allen dispersion last fall. Rebred to Golden Victory since June 17th.

Rosewood Betty 2nd is a very dark roan, daughter of Carl Retzlaff's Brawith Nugget. A wonderful Rosewood pedigree with the three top sires by Brawith Boy, Browndale Count and Rodney. We regard this as good a Rosewood pedigree as can be found. A full sister to this heifer was the top open heifer in last year's sale. She is a very attractive proposition. Sells open.
